

Detailed Table of Contents

Part I **Introduction**

Chapter 1.1 **Introduction**

What is the “Cohort Default Rate Guide”?	1.1-1
How is this guide organized?	1.1-2
How does this version of the guide differ from previous versions of the guide?	1.1-3
How does a school or data manager use this guide?	1.1-4
How can a school or data manager provide feedback on this guide?	1.1-5

Part II **General Information**

Chapter 2.1 **Calculating Cohort Default Rates**

What is a cohort default rate?	2.1-1
Why are cohort default rates important?	2.1-2
Which types of loans are included in the cohort default rate calculation?	2.1-2
When are cohort default rates released?	2.1-3
Who receives cohort default rates?	2.1-3
What are the consequences of cohort default rates?	2.1-5
What are the time frames for a cohort default rate?	2.1-5
What time frames are covered by this guide?	2.1-6
How does the Department calculate a school’s cohort default rate?	2.1-6
How does the Department determine which loans are placed in the denominator of the calculation?	2.1-9

How does the Department determine which loans
are placed in the numerator of the calculation? 2.1-10

How do consolidation loans affect the numerator
of the cohort default rate calculation? 2.1-11

How does loan rehabilitation affect the numerator
of the cohort default rate calculation? 2.1-11

Are there any special circumstances that affect how a loan
will be included in the cohort default rate calculation? 2.1-12

Chapter 2.2

Cohort Default Rate Effects

Are there any sanctions or benefits
associated with draft cohort default rates? 2.2-1

Will a school's draft cohort default rate and
official cohort default rate be the same? 2.2-1

Are there any benefits for schools with
low official cohort default rates? 2.2-2

Are there any sanctions associated with
high official cohort default rates? 2.2-3

Can a school avoid the sanctions associated
with high cohort default rates? 2.2-4

What are the consequences of an unsuccessful
cohort default rate adjustment or appeal? 2.2-5

If a school is subject to sanctions,
when do the sanctions take effect? 2.2-6

Chapter 2.3

Loan Record Detail Report

What is a loan record detail report? 2.3-1

Why should a school review its
loan record detail reports? 2.3-1

Which schools receive hardcopy
loan record detail reports? 2.3-2

Can a school request an electronic loan record detail report? 2.3-3

Can a school request a hardcopy or electronic loan record detail report from Default Management? 2.3-4

Are the loan record detail reports subject to the Privacy Act? 2.3-4

How does a school read a loan record detail report? 2.3-5

How does a school identify the data manager of a loan? 2.3-16

Chapter 2.4 *Loan Record Detail Report Tools*

Introduction 2.4-1

Instructions for Requesting an Electronic Loan Record Detail Report 2.4-1

Electronic Loan Record Detail Extract File Layout 2.4-3

Alphabetical Data Manager Contacts 2.4-9

Numerical Data Manager Contacts 2.4-10

Chapter 2.5 *Change of Status and Evasion*

How does a school's change in status affect the school's cohort default rate? 2.5-1

What types of actions are considered attempts at evasion of cohort default rate sanctions? 2.5-3

Chapter 2.6 *Department Offices and Addresses*

Introduction 2.6-1

Default Management 2.6-2

Case Management Teams 2.6-3

Direct Loan Schools Relations 2.6-4

Other Department Offices 2.6-6

Part III Strategy

Chapter 3.1 Cohort Default Strategies

What strategies can a school employ before the release of the draft and official cohort default rates? 3.1-1

What strategies should a school employ after the release of the draft and official cohort default rates? 3.1-3

What else can a school do after the release of the draft and official cohort default rates? 3.1-3

Information for Schools that Believe the Loan Record Detail Report Contains Inaccurate Data 3.1-4

Why should a school that is not subject to sanctions contest inaccurate data on the loan record detail report? 3.1-4

How does a school determine if there is inaccurate data on the loan record detail report? 3.1-5

How does a school contest inaccurate data on the loan record detail report? 3.1-10

What types of loan record detail report allegations may a school submit as a part of an incorrect data challenge, new data adjustment, or erroneous data appeal? 3.1-11

What supporting documentation does a school need to submit with its allegations? 3.1-12

Does a school need to submit loan record detail report pages with its allegations? 3.1-13

What specific allegations and supporting documentation can a school submit with an incorrect data challenge, new data adjustment, or erroneous data appeal? 3.1-14

Information for Schools that Believe they have Exceptional Mitigating Circumstances 3.1-21

Information for Schools that are Subject to Provisional Certification 3.1-22

Chapter 3.2 Repayment Information

What is repayment information? 3.2-1

What are the benefits of reviewing repayment information? 3.2-1

What types of repayment information are available? 3.2-2

What is summary repayment information? 3.2-2

How does a school obtain summary repayment information? 3.2-3

What is detailed repayment information? 3.2-4

How can a school obtain detailed repayment information? 3.2-4

How does a school read a detailed
repayment information extract file? 3.2-8

How soon will repayment information be
available after a request is made? 3.2-8

Is repayment information subject to the Privacy Act? 3.2-8

Chapter 3.3

Monthly Status Reports

How does a data manager keep the
Department informed about its actions? 3.3-1

Instructions for creating a Data
Manager Monthly Status Report 3.3-2

Which Department addresses should a data
manager use for submitting a monthly status report? 3.3-4

Part IV Challenges, Adjustments, and Appeals

Chapter 4.1

Incorrect Data Challenge

What is an incorrect data challenge? 4.1-1

Which schools may submit an incorrect data challenge? 4.1-1

What benefit will a school gain from submitting an incorrect data challenge? 4.1-2

What types of incorrect data challenge allegations may a school submit as a part of an incorrect data challenge? 4.1-3

What role does the Department have in a school's incorrect data challenge? 4.1-4

How does a school submit an incorrect data challenge? 4.1-4

How does a school identify the data manager of a loan? 4.1-8

How does a data manager respond to a school's incorrect data challenge? 4.1-8

Which Department addresses should a data manager use for submitting an incorrect data challenge response? 4.1-12

What does a school do with a data manager's incorrect data challenge response? 4.1-14

Chapter 4.2 Participation Rate Index Challenge

What is a participation rate index challenge? 4.2-1

Which cohort default rate can be used to determine a participation rate index challenge? 4.2-1

Which schools are eligible to submit a participation rate index challenge? 4.2-2

What benefit will a school gain from submitting a participation rate index challenge? 4.2-2

Are participation rate index challenges based on a specific period of time? 4.2-3

How does a school calculate its participation rate index? 4.2-4

Does a school need to wait until the draft cohort default rate is released to calculate its participation rate index? 4.2-6

What roles do the Department and data managers have
in a school's participation rate index challenge? 4.2-6

How does a school submit a participation rate index challenge? 4.2-7

Which Department addresses should a school use
for submitting a participation rate index challenge? 4.2-10

Chapter 4.3 **Uncorrected Data Adjustments**

What is an uncorrected data adjustment? 4.3-1

Which schools are eligible to submit
an uncorrected data adjustment? 4.3-2

What benefit will a school gain from submitting
an uncorrected data adjustment? 4.3-2

What roles do data managers have in a
school's uncorrected data adjustment? 4.3-2

How does a school submit an uncorrected data adjustment? 4.2-3

Which Department addresses does a school use for
submitting an uncorrected data adjustment? 4.2-6

What happens after the school submits the adjustment? 4.2-7

Chapter 4.4 **New Data Adjustment**

What is a new data adjustment? 4.4-1

What is new data? 4.4-1

What if the new data is correct? 4.4-1

Which schools are eligible to submit a new data adjustment? 4.4-2

What benefit will a school gain from
submitting a new data adjustment? 4.4-3

What roles do the Department and data managers
have in a school's new data adjustment? 4.4-3

What types of new data adjustment allegations may a
school submit as a part of a new data adjustment? 4.4-4

How does a school submit new data adjustment allegations to a data manager? 4.4-6

How does a school identify the data manager of a loan? 4.4-10

How does a data manager respond to a school's new data adjustment allegations? 4.4-10

Which Department addresses should a data manager use when submitting a copy of a new data adjustment allocations response? 4.4-14

What does a school do with the data manager's new data adjustment allegations response? 4.4-16

Which Department addresses should a school use when submitting a new data adjustment? 4.4-18

What happens after the school submits the new data adjustment? 4.4-20

Chapter 4.5

Erroneous Data Appeal

What is an erroneous data appeal? 4.5-1

What is new data or disputed data? 4.5-1

Which schools are eligible to submit an erroneous data appeal? 4.5-2

Which cohort default rates may a school appeal? 4.5-2

What benefit will a school gain from submitting an erroneous data appeal? 4.5-3

What roles do the Department and data managers have in a school's erroneous data appeal? 4.5-3

What types of erroneous data appeal allegations may a school submit as a part of an erroneous data appeal? 4.5-4

How does a school submit erroneous data appeal allegations to a data manager? 4.5-6

How does a school identify the data manager of a loan? 4.5-10

How does a data manager respond to a school's erroneous data appeal allegations? 4.5-10

Which Department addresses should a data manager use for submitting the complete copy of the data manager's erroneous data appeal allegations response? 4.5-16

What does a school do with the data manager's erroneous data appeal allegations response? 4.5-17

Which Department addresses should a school use
for submitting an erroneous data appeal? 4.5-20

What happens after the school submits the erroneous data appeal? 4.5-22

How does provisional certification affect a school's
ability to submit an erroneous data appeal? 4.5-23

Chapter 4.6

Loan Servicing Appeal

What is a loan servicing appeal? 4.6-1

When is a defaulted FFEL considered improperly
serviced for cohort default rate purposes? 4.6-1

When is a defaulted Direct Loan considered improperly
serviced for cohort default rate purposes? 4.6-2

Which schools are eligible to submit a loan servicing appeal? 4.6-3

What benefit will a school gain from submitting a loan servicing appeal? 4.6-3

What roles do the Department and data managers
have in a school's loan servicing appeal? 4.6-4

How does a school submit a loan servicing appeal? 4.6-5

How does a school identify the data manager of a loan? 4.6-5

How does a school submit a request for loan servicing records? 4.6-5

How does a data manager respond to a
school's request for loan servicing records? 4.6-6

What if the data manager requires that a fee
be paid to obtain loan servicing records? 4.6-8

What happens after the data manager determines it is
appropriate to send the loan servicing records? 4.6-10

Which Department addresses should a data manager use for submitting
a copy of the response to a request for loan servicing records? 4.6-14

What does the school do with the data manager's response? 4.6-14

Which Department addresses does a school use
for submitting a loan servicing appeal? 4.6-18

What happens after the school submits the appeal? 4.6-19

Chapter 4.7 *Economically Disadvantaged Appeal*

What is an economically disadvantaged appeal?.....	4.7-1
What benefit will a school gain from submitting an economically disadvantaged appeal?.....	4.7-1
Are economically disadvantaged appeals based on a specific period of time?.....	4.7-2
How does a school calculate its low income rate?.....	4.7-3
How does a non-degree granting school calculate its placement rate?.....	4.7-4
How does a degree granting school calculate its completion rate?.....	4.7-6
How does a school submit an economically disadvantaged appeal?.....	4.7-8
Which Department addresses should a school use for submitting an economically disadvantaged appeal?.....	4.7-11
How does an independent auditor review the management's written assertion?.....	4.7-12
What happens after the independent auditor submits its opinion?.....	4.7-16

Chapter 4.8 *Participation Rate Index Appeal*

What is a participation rate index appeal?.....	4.8-1
Which cohort default rate can be used to determine a participation rate index appeal?.....	4.8-1
Which schools are eligible to submit a participation rate index appeal?.....	4.8-2
What benefit will a school gain from submitting a participation rate index appeal?.....	4.8-2
Are participation rate index appeals based on a specific period of time?.....	4.8-2

How does a school calculate its participation rate index?..... 4.8-4

Does a school need to wait until the official cohort default rate
is released to calculate its participation rate index?..... 4.8-6

What roles do the Department and data managers have
in a school’s participation rate index action?..... 4.8-6

How does a school submit a participation rate index appeal?..... 4.8-7

Which Department addresses should a school use
for submitting a participation rate index appeal?..... 4.8-8

What happens after the school submits the appeal?..... 4.8-10

Chapter 4.9

Average Rates Appeal

What is an average rates appeal?..... 4.9-1

How is an average cohort default rate calculated?..... 4.9-1

What if a school disagrees with an initial
determination by Default Management?..... 4.9-2

Chapter 4.10

Thirty-or-Fewer Borrowers Appeal

What is a 30-or-fewer borrowers appeal?..... 4.10-1

What if a school disagrees with an initial
determination by Default Management?..... 4.10-1

Chapter 4.11 Challenge, Adjustment, and Appeal Tools

*Incorrect Data Challenge, New Data Adjustment,
and Erroneous Data Appeal Tools* 4.11-1

Instructions for Creating a Data Manager’s or School’s
Incorrect Data Challenge/New Data Adjustment
Erroneous Data Appeal Spreadsheet..... 4.11-1

Instructions for Creating a School New Data
Adjustment Spreadsheet to Default Management..... 4.11-5

Participation Rate Index Tools4.11-8

**Instructions for Creating a Participation
Rate Index Spreadsheet**..... 4.11-8

Uncorrected Data Adjustment Tools 4.11-11

**Instructions for Creating an Uncorrected
Data Adjustment Spreadsheet**..... 4.11-11

Loan Servicing Appeal Tools4.11-14

**Instructions for Creating a Data Manager or
School Loan Servicing Appeal Spreadsheet**..... 4.11-14

Economically Disadvantaged Appeal Tools 4.11-18

Instructions for Creating a Low Income Rate Spreadsheet..... 4.11-18

Instructions for Creating a Placement Rate Spreadsheet..... 4.11-21

Instructions for Creating a Completion Rate Spreadsheet..... 4.11-24
