We will search for the Federal School Code using key words, state and city. (Note: a key word and state are required). Key words must be something about the school you want to receive your FAFSA data. Examples are below.

The key word must:

- Have at least three (3) characters;
- Only contain letters (A-Z), period (.), dash (-), or apostrophe (')

The following are examples of key words:
Enter 'wyoming' for the University of Wyoming. Note: uppercase is not required.
Enter 'john' for St. John's. Note: Saint and Mount, and a few other words, are often abbreviated on our database, i.e. 'st' and 'mt'. Note: we recommend you do not use abbreviations such as 'univ' for 'university,' as several schools will be returned. Use a unique key word to narrow your search.

After entering the key word of the school name, select the state where the school is located. You can narrow your search further by entering the city where the school is located. Then select **Next** and wait for the search to complete.

If you do not have a PIN, you can apply for one at www.pin.ed.gov. However, it will take 7-10 days for your PIN to arrive in the mail. If there are student aid deadlines approaching, you should fill out this form now and print and submit a paper signature page at the end of this application rather than applying for a PIN.

Please note that anyone, including parents and students who have never applied for aid, can apply for a PIN at www.pin.ed.gov.
