

Campus-Based Programs Financial Management Specialists Institutional Financial Management Division

When a school files the Fiscal Operations Report and Application to Participate (FISAP) requesting Campus-Based Programs funds for the following award period (schools must request funds for 1999-2000 during the 1998-99 award period, for example), the school will receive "Dear Colleague" letters notifying it of the tentative and final funding. (See Chapter 5 of this handbook for an explanation of the FISAP.) Questions regarding the FISAP or a school's funding levels should be directed to the designated Campus-Based Programs specialist. Below is a list of these specialists, along with their telephone numbers and the states that each specialist covers. Alternates, along with their telephone numbers, are listed in parentheses underneath the main specialist. You may also reach these specialists or alternates by fax at 202-260-0522 or 202-401-0387. If you have trouble reaching either your specialist or the alternate, you may call 202-708-7741.
